

TRANQUIL HEART
TRAINING ACADEMY

Virtual AromaClub

Welcome, my name is Debbie. Thank you for your interest in the virtual AromaClubs. These were borne out of a face to face attended Club that was held monthly in the UK. The idea was to bring like-minded people together in a nurturing, aromatic environment, where I shared my aromatherapy and phytotherapy knowledge with attendees on various subjects. Many friendships and collaborations were made through the Club and it offered a safe and supportive space for therapists and non-therapists to discuss and share their experiences and ideas, along with gaining further knowledge to expand their practices or home use and earn CPD points too. When I announced my plans to move to France, regular attendees wanted to keep the club going - so I have created the virtual AromaClub via Zoom.

Terms and Conditions

A charge of £30 is required (payable through PayPal) which allows 6 x 30 minute virtual attendances. With each attendance there will be a PowerPoint presentation which will be sent to you, there is also a downloadable recording of the session available, so that you can hear the interaction and questions that may be posed during the get-together. The 6 sessions are valid for a 12 month period from the date of your first virtual attendance, so if you cannot attend on the day* or a subject does not interest you, you are able to use it at another time.

*If you cannot attend on the day but would still like to receive the presentation, it will be sent to you as part of your package.

For anyone wishing to attend on an 'ad hoc' basis there will be a £8 charge for each session and you will receive the PowerPoint and recording as above. Previous PowerPoint presentations can be purchased for £10 each, in the event of you missing previous Clubs.

If you do not use your 6 virtual attendances within the time limit they will not be transferable and you will have to purchase individually or subscribe to a further 6 sessions, thereafter.

The 6 pack subscription offers great value and allows you to communicate with other therapists and those with an interest in all things aromatherapy!

Please click the PayPal button on the AromaClub page to subscribe to the package or for 'pay as you go'.

Also, please note the rules below.

Rules of AromaClub

- Each subscription or singular attendance is for one person only.
- AromaClub sessions will run monthly, usually the first Saturday of the month at around 10.00 - 10.30am (UK time). Dates and times may be changed due to my timetable, but all dates, times and subject matter can be found on my website www.tranquilheart.co.uk on the AromaClub page.
- I ask all attendees to be courteous and kind to everyone in attendance.
- Please don't interrupt during the session - unless you 'raise your hand' to ask a question, via the sidebar.
- I will allow everyone to converse and interact before the session, but kindly ask that you listen once the session has started. There may be time for questions after, and you can ask questions by typing into the sidebar.
- Please don't talk during the session as you will be 'muted', so as not to distract or disrupt other people listening to the session.
- Meeting time is 40 minutes maximum - the first 5 minutes will allow everyone to settle and say 'Hi', followed by the 30 minutes session with questions and the final 5 minutes to wind up. If the occasion arises that the session might over-run, I will invite attendees to join me in another session straight after for a further Q&A mini gathering.
- Zoom offers the choice to see others who are in attendance. If you would prefer to listen only and not be 'on screen' (although only a small number may be in view), please state when booking your session.
- Finally, please bring a cup of something hot (or cold) to drink. AromaClub was often affectionately called 'coffee club'; and delicious treats were shared every session. AromaClub was always an informal, friendly event, so I encourage all attendees to feel relaxed and enjoy the sessions in their own homes.

I look forward to greeting you at my virtual AromaClub sessions. Please feel free to tell your friends about the Clubs and encourage them to sign up too.
